Costa Victoria

Costa Victoria is the ideal ship for people who love design, elegance, symmetry of shapes and muted colours. Fully refurbished, the ship has an unmistakable style that combines a traditional nautical look with minimalist design, high value finishes and works of art.

The ship is spectacular, beginning with the futuristic Planetarium Atrium or Concorde Plaza, surrounded by glass walls overlooking the sea, which comes to life in the evening with live music and dancing. Its lounges are decorated and embellished with unique works of art, like the Capriccio Bar, with its inimitable and valuable mosaic signed by Emilio Tadini.

A complex restoration programme, involving high technology work, has made Costa Victoria even more modern. New balconies have been added to external cabins, plus two beautiful panoramic walkways and a new Buffet terrace.
